CUMEP Vision

Every child, artist & teacher harnesses and spreads joy through culture, creativity and teaching community wherever they go.

CUMEP Mission

CUMEP empowers and uplifts children from all walks of life so they can develop self-awareness, academic success and social/civic responsibility through the performing arts

Our Story.

Started in 2002, the Community Unity Music Education Program is a multicultural performing arts and human rights educational experience that provides free and low cost music, poetry, performance, visual arts, literacy, math, and human rights education. Guided by a Black consciousness curriculum, CUMEP operates programming throughout the community and primarily at the historically Black & female-led Southside Community Center in Ithaca, New York.

Directors Notes

Dr. Nia Nunn, CUMEP Executive Director

It is with great pleasure and enthusiasm that I serve as the Executive Director and Curriculum Creator for the Community Unity Music Education Program (CUMEP)! While I wear multiple headwraps within the Ithaca community, CUMEP provides a living laboratory for my craft as both a teacher educator and thought leader. I have the pleasure of serving as an Associate Professor at Ithaca College and many of my leadership team are students or graduates that I've taught or mentored.

While I have been assigned many leadership roles throughout my life at Southside Community Center, my ultimate leadership training began in the gym in girl scouts (troupe 702) at the age of 4.

Representing a partnership between Ithaca College and Southside Community Center, CUMEP is a transformative town-gown experience impacting multiple generations. At CUMEP our **VISION** is that **every child, artist and teacher harnesses and spreads joy through culture, creativity and teaching community wherever they go** and our **MISSION** is that CUMEP **empowers and uplifts children of all walks of life so they can develop self-awareness, academic success and social/civic responsibility through the performing arts.**

In 2007, upon returning home from a doctoral program at Michigan State University and while serving as a School Psychologist at my alma mater, Beverly J. Martin Elementary School, I inherited this CUMEP leadership role from the founders, my father Mr. Fe Nunn (Ithaca College graduate class of 1980) and my mentor/colleague, Dr. Baruch Whitehead (Ithaca College Full Professor). It is an honor to have the freedom to exercise my **radical Vulnerability** methodology and approach to teaching teachers of all ages. I am energized to establish the CUMEP curriculum and technique as an evidenced-based program because I know this work is replicable. We are confident that with success on our strategic plan and when our glorious aspirations come to fruition, the CUMEP curriculum and technique will positively impact classrooms and communities on both a national and international level.

This year's CUMEP summer experience has been an incredible mix of both old and new lessons on kindness, creativity, and community. Guided by a Black consciousness foundation, we are a multigenerational and multiracial performing arts collective celebrating 21 years of service and innovative expression. In honor of our leadership legacy and desire to prepare amazing teachers for the world, we are above and beyond excited to have invited Ithaca College graduate (class of 2022), Ms. Nicole Bethany Onwuka (aka "Ms. Nikki Beth") to serve as the CUMEP Theatre Director! Utilizing the CUMEP curriculum and songs, Ms. Nikki Beth is a brilliant storyteller who wrote and directed CUMEP's first musical... **"CUMEP the MUSICAL"**...

Get ready!! Get excited!!

Directors Notes

Miss Nicole-Bethany, CUMEP Theatre Director

"Imagine a world without CUMEP." This question inspired the creation of *CUMEP the Musical* and the character of Boogie.

When Resana Malone, a valued CUMEP leader, and dear friend, shared her experience of growing up in Ithaca, NY without CUMEP, I was motivated to transform our conversation into a story that our young people could bring to life.

The premiere of *CUMEP the Musical* in February 2024 at the IHS Kulp Theatre Black Box marked the beginning of a new journey. This production celebrates and teaches the values of kindness, creativity, community, and joy—elements that many young people, like Boogie, may not encounter every day but encounter at CUMEP. These experiences are not just fleeting moments but lasting gifts that our students carry with them.

CUMEP the Musical goes beyond being a story; it embodies the essence of the daily realities faced by many of our young people and offers a real, actionable solution for them. It reflects this belief: "It's going to take all of us, to educate our children and make a change."

It has been a true honor to serve as the CUMEP Theatre Director for the past two years and to witness the transformative power of CUMEP over the last three. I am deeply grateful to Dr. Nia, Mr. Fe, and Dr. Whitehead for their 21+ years of pioneering work in engaging youth in learning and civic responsibility.

To all the CUMEP students, my CUMEP Theatre Arts majors, and my fellow CUMEP teachers and staff: thank you for being the heart of this production. Your dedication and passion have made this journey possible, and I am profoundly grateful for the opportunity to work with you. Your commitment has made me a better director and writer, and I cherish every moment we've shared.

With heartfelt appreciation,
Miss Nikki-Beth

Welcome to CUMEP Summer 2024!!!

Who are we? Founded in 2002, the Community Unity Music Education Program (CUMEP) is a multicultural performing arts and human rights education program. Our vision is to help every child, artist and teacher spread joy through culture, creativity and teaching community wherever they go. The mission of CUMEP is to empower & uplift children of all walks of life so they can develop self-awareness, academic success and social/civic responsibility through the performing arts.

We are so ready for CUMEP this Summer! [CUMEPers who are 7 & older will choose 2 MAJORS.](#)

Campers 6 & under will rotate through the minors (**art, music, dance, literacy**). This year's camp experience will end with a theatre production, "CUMEP The Musical!" As part of the journey both majors (CUMEPers 7 & up) as well as minors (CUMEPers 6 & under) will be engaged in the history of CUMEP (co-founded by Mr. Fe Nunn & Dr. Baruch Whitehead), the CUMEP Curriculum (created by Dr. Nia Nunn- CUMEP Executive Director) while being introduced to a professional Theatre Education experience (created by Nicole Bethany Onwuka aka "Ms. Nikki Beth"- CUMEP Theatre Director). The MAJORS include... **theatre, dance, martial arts, studio, art, instrument/modern band, and culinary/gardening.** Every major and minor will contribute to our BIG theatre production on the last day of camp, **August 1st @ 5:00PM.** There will be more details shared weekly throughout the summer.

Here are some basics to keep in mind:

- Send your child(ren) with a **labeled water bottle every day!** (& we'll have small bottles or cups as well)
- We need **video and photo consent signed** by all participants, as a CUMEP DocuSeries will be created!!!
- We are looking for healthy food to add to our lunch daily. **Please check with Ms. Shannon to donate food!**
- CUMEP is asking for a **suggested donation of \$200/child** (\$50/week) for each camper. We are also willing to trade, barter, & get creative. **Please talk to Shannon at the gate about paying or trading for your camper(s).**
- This summer season is a **MAJOR FUNDRAISING SEASON** and we will need your help!! See CUMEP.org for details!
- **PAY for CAMP** & make donations via our website PayPal (CUMEPithaca@gmail.com) Venmo (@CUMEPithaca)

Your Child's Day:

- **Drop-Off** is between **7:30 and 8:00** each morning. You will see the CUMEP Operations Manager, Shannon Frier at the gate each morning where you will check in. Program leaders will be ready to interact with your children all over the Southside playground. ****Attendance is important! 8:00am! 8:00am! 8:00am!**** Breakfast will be served promptly at 8:00, before our whole camp morning lesson & performance prep led by Dr. Nia & the team begins promptly at 8:30am. Please confirm that we know all **dietary restrictions** your children may have or if you would like to share food.

- Following the morning meal, CUMEPers will participate in our traditional **CUMEP Curriculum Mini-Lesson & Mash-Up** and **morning meeting**. Family and friends are more than welcome to stay for this to watch or join in! ... as long as our little friends can transition independently once you leave...
- After our busy start, MINORS (up to 6 years old) will rotate through 4 20-minute activities with their group. MAJORS (7 & up) will participate in classes for their chosen majors, confirmed by the end of day 1. **CUMEPers 7 & up PLEASE COMPLETE the MAJORS CHOICE form**
- **Lunch** will be provided and served at 11:30am. We aim to provide healthy and equitable food dynamics, despite limitations. Your children are welcome to bring their own healthy lunch AND contribute to action oriented processing to bring healthy food to everyone in the program.
- We come **together as a whole camp** at the end of our day, **we have a Circle Time Curriculum** (11:50am) to acknowledge new friendships that have been made and celebrate accomplishments of the day.
- **Pick up** is at **12:00 noon**. **Please confirm after-camp plans @ drop off** and **sign your child out with Shannon at our gate during pick-up each day.** [Shannon Frier Operations Manager #716-553-0935](tel:716-553-0935)

SHIRTS & SAFETY

Our shirts are a required part of the CUMEP experience. Seeing CUMEPers in our bright colors helps us to establish and maintain a strong sense of community & safety. Campers will get a fresh & clean shirt each morning. While everyone is a teacher at CUMEP, certain colors represent explicit leadership roles:

Green Shirts = Camp & Group Leadership Red Shirts = Assistant Group Leaders Yellow Shirts = Leaders in Training

A **CUMEP CONTRIBUTION BOARD** will be displayed each morning... This is where you can sign up to help contribute something to CUMEP... Including... **WE WILL NEED SHIRT WASHERS!** We need families to commit to a day or days of washing our shirts immediately after a camp day. This allows us to provide fresh clean shirts for every camper each morning. We will pick them up from you or welcome an evening drop off or super early morning drop off before camp. An evening exchange is preferred. If you have the means, time, and energy to help with this, sign up with Ms. Shannon at the gate.

~ CUMEP Is Off To A Great Start! ~

CUMEP is up and running for the 2024 Summer season! Our first week was so much fun and filled with new lessons, making friends, trading meaningful compliments about who we are all being and lots of smiles. CUMEP **art majors** are testing out fashion design by drawing ideas for costumes to use in our final show. **Studio majors** are recording their own unique hip-hop tracks and **dance majors** are choreographing new dance numbers we're excited to perform at our show!

~ It's About Teaching About Teaching! ~

This year at CUMEP, we are taking a deep look at the **Science of Reading**. We want everyone to not only know how to read, but also **how to teach others** to read! Many of us grew up believing that learning letter names was critical to reading. New research has shown that the more effective focus is **letter sounds**! Each morning at CUMEP, our leaders wear letters around their necks. CUMEPers are encouraged to make these letter sounds each time they see one and create words during morning meeting.

~ CUMEP Literacy Superheros ~

In addition to seeing our leaders wear letters, each CUMEPer will be able to make their own cape with a custom design on the back. Kids will be encouraged to include their favorite things in their design, but especially their favorite letter. We can't wait to see all the capes flying behind your campers as they practice letter sounds!

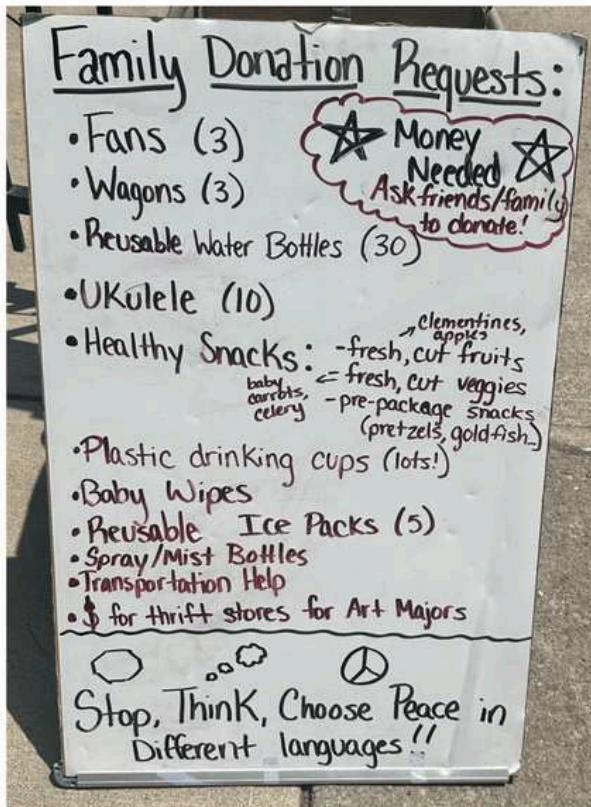

We will need help with this project!

Please keep an eye on the CUMEP Contribution Board outside the gate at pick-up to see how you can help!

CUMEP PerFARMance ~ Sunday, July 28th, 2pm - The Learning Farm (272 Enfield Falls Rd.)
"CUMEP The MUSICAL!" ~ Thursday, August 1st, 5pm ~ Southside Community Center

~ Ways You can Help Us ~

CUMEP can't happen without YOU! We truly appreciate any items or time you can donate to CUMEP over these 4 weeks of camp. **Please ask your family and friends to donate to CUMEP via our website.** We are raising funds for THIS SUMMER!! In addition, keep an eye on our **Family Donation Requests Board** outside the gate at pick-up to see how YOU can help!

~ We're on Social Media ~

CUMEP is a **recorded** experience! We use the footage to study our teaching and see how we can improve. We are also raising funds and raising consciousness. We encourage you to follow our journey on social media!

 facebook.com/cumepithaca  On Instagram @cumepithaca

We take privacy & safety seriously at CUMEP. No child's name will ever be posted with their picture online. Please let us know if you do not want your child's picture online.

~ Health & Safety ~

We aim to keep CUMEP a healthy experience this Summer! Please keep your child home if they are showing signs of being sick or have a fever.

~ Black Consciousness Curriculum ~

CUMEP is proud to offer a Black Consciousness Curriculum calendar & journal for sale to the community and beyond. Our lessons will be valuable in every home and classroom. **Talk to your child's school & direct them to CUMEP.org to purchase sets for every classroom!** Talk with Dr. Nia about bulk orders & other ways to support this project.

~ Major Excitement! ~

Did you know that CUMEPers who are 7 years old and older have two majors?? Each of our older campers have picked two areas to focus on this summer, one on Mondays & Wednesdays, the other on Tuesdays & Thursdays.

Our Majors include:

- **Art**, taught by Ms. Maryam & Ms. Taylor
- **Theater**, taught by Ms. Nikki-Beth & Teacher Jess
- **Martial Arts**, taught by Mr. Lushima
- **Dance**, taught by Mr. G-Quan
- **Food Justice & Culinary Arts**, taught by Ms. Laurel, supported by Mr. Meek
- **Studio**, taught by Mr. Ramsey
- **Music**, taught by Ms. Anjolie

Please look for an email message from your child's major teacher for updates on field trips & how lessons are going!

~~~ Fully in Rehearsal Mode! ~~~

Week 3 of CUMEP Summer 2024 has been a great one! Kids are eagerly anticipating our August 1st show and are practicing hard to get all our pieces ready. Dr. Nia had to be away this week, but everyone did awesome at pitching in to make sure camp went on just as smoothly as if she was here. Big thanks to Ms. Nikki-Beth and Ms. Jess for leading our mornings!

**Theater majors** have been traveling to the Kitchen Theater to play games and rehearse for the musical. All the games are getting us ready to work as an **Ensemble**.

**Ask your CUMEPer what an ensemble is!**

**Food Science Majors** have been baking bread & talking about how yeast works. They have also been doing lots of work in Southside's gardens, planting new plants & taking care of the ones already here.

### Black Consciousness Curriculum Journals & Calendars

CUMEP activists Maryam Adib, Cypress Braithwaite and Dr. Nia Nunn have created engaging and interactive Black Consciousness journals & calendars to teach about our important Black leaders.

**A Perfect addition to any classroom** or other learning space. All proceeds go to supporting CUMEP! Tell everyone you know to get some today!

Available online @ [www.cumep.com/store](http://www.cumep.com/store)

Families of theatre arts majors should look out for an email from Ms. Nikki-Beth with more show details.

See the other side of this newsletter for ways to help with the show! **WE NEED YOU!!**

### Get Ready for "CUMEP The Musical!"

Our own theatre director Ms. Nikki-Beth has written an original musical telling the story of CUMEP!

Instead of our traditional show on the Southside Playground, we'll be performing "CUMEP The Musical!" right on the street in front of Southside!

**Streets will be closed!**

**On show day, please drop your CUMEPer off at Southside at 4:00 so they can get ready!**

**On Sunday, July 28th from 2 - 4:30pm, we'll have a full rehearsal at The Learning Farm. All theatre arts majors should plan to attend.**

**SAVE THE DATES! ~ "CUMEP The MUSICAL!" ~ Thurs. August 1st ~ 5pm ~ Southside PerFARMance ~ Sun. July 28th ~ 2pm ~ The Learning Farm (272 Enfield Falls Rd. Ithaca)**

~ Ways You Can Help With Our Show! ~

We need your help for this show! How can you help?

- **Advertise** at all local businesses, we have big posters to hang in doorways, stores, coffee shops, anywhere you frequent and think others will too. We also have quarter cards to invite all your family, friends, neighbors, local community members....anyone you want!
- **Donate food for our show!** [Here](#) is the sign up sheet for what we need or ask Ms. Shannon and she will sign you up. We need all food to be delivered by August 1st at 4pm. We can take food donations as early as Tuesday, July 30th.
- **Volunteer** to help us set up and clean up our show on August 1st. We would love your help starting as early as 2 pm until after the end of the show (around 9 pm).
- **Laundry!** We need your help making sure all our beautiful shirts are clean for camp during this last week! Also, we need a quick wash on the show day (August 1st) between camp ending (12 pm) and kids returning (4 pm). Please talk with Ms. Shannon if you can help with washing!
- **Vendors Invited!** This year's show will be a street festival! Plain Street will be closed to cars which means it will be open to vendors (non-food vendors only). If you know of someone who would like to set up a tent to vend, then please let Ms. Shannon know.
- **Donate snacks for the last week of camp.** We would love **fresh cut fruits and veggies**. Also, **pre-packaged individual snacks** would be lovely too!
